

## **NEWS RELEASE**

### **Veteran Healthcare Executive Joins BESLER Consulting**

*Ju'anese Williams, PhD, MBA joins chargemaster/coding services*

(PRINCETON, NJ, January 29, 2009) — BESLER Consulting, a leading financial and operational consultancy to healthcare providers, has announced the appointment of Ju'anese Williams to the position of Manager, according to Jeffrey A. Lampman, executive vice president.

Prior to joining BESLER Consulting, Ms. Williams served as President and Senior Clinical Consultant for DEVA Consulting, Inc., and Clinical Education Consultant for McKesson Health Solutions where she specialized in Medical Necessity Assessment, Case Management/Utilization Assessment and Physician Documentation Education.

“Juanese comes to us with significant case management experience as an educator,” said Mr. Lampman. “With her skill set, we believe she will bring even greater depth to our consultancy, especially as it relates to our RAC Audit, Case Management, Clinical documentation improvement services.”

Ms. Williams is a licensed professional nurse, InterQual Certified Instructor (IQCI), Co-Author of Certified Professional in Utilization Review (CPUR) and Certified Professional in Healthcare Management (CPHM) Programs for McKesson, Instructor for the National Certification Program for Clinical Documentation Improvement Specialist (C-CDI) for DocuEd and holds a PhD in Health Care Administration, a Master of Business Administration Degree in Health Management, and a Bachelor of Science Degree in Health Care Management.

### **About BESLER Consulting**

Founded in 1986 to offer reimbursement services to acute care hospitals, BESLER Consulting today provides consulting expertise in many other areas including coding, revenue cycle management, health information, compliance, accreditation, clinical staffing and interim management in a variety of provider settings.
