BESLER Consulting Adds Depth to Revenue Cycle Management Team

Mary F. Devine, RN, joins the team

(PRINCETON, NJ, January 29, 2009) — BESLER Consulting, a leading financial and operational consultancy to healthcare providers, has announced the appointment of Mary F. Devine, RN, as a senior manager in the firm's revenue cycle group, according to Jeffrey A. Lampman, executive vice president.

Prior to joining BESLER Consulting, Ms. Devine was the vice president of operations for a revenue cycle outsourcing company. In addition, she has worked in several capacities in revenue cycle leadership positions at large healthcare facilities. Mary was also able to gain clinical experience at one of Philadelphia's large teaching institutions in its Neuro-Intensive Care Unit.

In making the announcement this week, Mr. Lampman said Ms. Devine's unique clinical and revenue cycle skill set and expertise strengthens the firm's revenue cycle service offerings.

"The addition of Ms. Devine will give BESLER Consulting the ability to assist our clients in developing RAC denial policies and procedures," said Mr. Lampman. "We also look forward to her working with clients to identify and implement denials tracking solutions."

About BESLER Consulting

Founded in 1986 to offer reimbursement services to acute care hospitals, BESLER Consulting today provides consulting expertise in many other areas including coding, revenue cycle management, health information, compliance, accreditation, clinical staffing and interim management in a variety of provider settings.
