

BESLER Consulting's Accreditation & Clinical Services team is excited to announce a new accreditation readiness support product offering. The **Annual High Level Validation** or **HLV** is a low cost, scalable and targeted review mechanism. It is intended to provide validation for the work you and your team achieve throughout the year and as part of your annual readiness strategy.

Support Focus:

- ✓ Individual Patient Tracers
- ✓ Policy & Procedure Review
- ✓ Focused System Tracers
- ✓ NPSG Compliance Review
- ✓ Education & Training (*CEU's Available*)
- ✓ State and CMS Compliance Review

HLV Support Components:

- **On Site Consulting HLV Days** – One, two or three days of on-site visits by BESLER consultants, providing tracer support or training and education. HLV days are supported with a written 'Red, Yellow, Green' scorecard report, highlighting areas of opportunity.
- **Email / Phone Support** – To review Policies & Procedures, NPSG Compliance Plans or research related to best practice for support of accreditation and regulatory compliance.
- **During Survey Intervention 'On Call'** – The BESLER Team will remain 'On Call' to provide During Survey Intervention to enhance the efforts of your internal 'Command Center'.
- **Free BESLER e-newsletter** - BESLER Accreditation Strategies bi-monthly distribution.
- Locked in **discount hourly pricing** for engagements beyond the scope of the Annual HLV.
- A **low monthly subscription price** that will fit within your budget.
